OSA Members, Family and Friends Program

OSA is committed to making participation in the Society rewarding and enjoyable for everyone in the OSA community—including members, volunteers, customers, spouses and family members. The OSA External Relations Advisory Group, launched in January 2008, focuses on developing strategies, programs, and activities designed to enhance your interactions with OSA.

The Advisory Group has sponsored Members, Family and Friends events including walking tours, dinners, bus trips and hospitality suites at conferences. The Group works to provide a lineup of unique and interesting programs throughout the year. You can find a full schedule at: www.osa.org/familyandfriends

The Advisory Group also sponsors OSA's Child Care Support Grants to assist OSA members who are bringing children to selected OSA-sponsored meetings or conferences or who incur extra expenses in leaving them at home (e.g., extra day care or babysitting services). To apply, go to: www.osa.org/childcare

We're interested in your feedback and participation. Contact mpaterson@osa.org to send a message to the Advisory Group or to be notified of future events.
